**TO:** Members of the Blount County Planning Commission

**FROM:** John Lamb

**DATE:** November 15, 2011

**SUBJECT:** Long range agenda items for the November 29, 2011 regular meeting.

### **Revert back from County Commission of proposed regulations for Campgrounds and Recreation Vehicle Parks.**

The County Commission, meeting on November 8, 2011, held public hearing on the proposed regulations for campground and recreation vehicle parks. The proposed regulations were previously recommended by the Planning Commission. After the public hearing, the Agenda Committee considered forwarding the proposed regulations to the full Commission meeting. The motion to forward to the County Commission regular meeting agenda failed by a unanimous vote. According to protocols of the County Commission, if an item fails to be recommended to the full commission for consideration, the item reverts back to the committee of origin, in this case the Planning Commission. This item comes for discussion and consideration of direction to staff for possible future modification of the recommended regulations.

### **Staff reports.**

Staff may make other reports at the meeting.
