

Ants on a Log

4 celery sticks

4 tbsp peanut butter*

1/4 c raisins

- First, carefully trim off the ends and wash celery sticks in cool water; pat dry with a paper towel.
- Lay the celery sticks with the opened side facing upward.
- Fill the opened side of each celery stick with peanut butter.
- Next, add your raisins (ants) to the top of your peanut butter filled celery stick (log).
- Lastly, enjoy your delicious snack!

What else could you use to make “ants”?

* You may use cream cheese in place of peanut butter

** Mini chocolate chips are also a delicious choice... for ants!
