Fruit Salad

¼ c. honey
¼ c. orange juice
1 lb. strawberries, capped and quartered
6 oz. blueberries
6 oz. raspberries
2 kiwis, peeled and sliced
2 mandarin oranges, peeled and wedges separated
1 apple, peeled and chopped into small pieces
1 cup of grapes, halved lengthwise **

* This recipe requires using a knife. Please take care and supervise children.

**Large pieces of fruit are well known choking hazards for children and some adults. Please take the time cut the grapes lengthwise or quarter the grapes to effectively minimize the choking risk.
Fruit Salad

In a small bowl, whisk the honey and orange juice together.

Put the prepared fruit in a large bowl and pour the honey and orange mixture onto the fruit.

Stir the fruit mixture and chill in the refrigerator until ready to eat.

Now you have a delicious and healthy snack!

Enjoy!
